

R&D Lab Technician – Molecule Discovery & Development (m/f/d) – On Site, Tulln an der Donau

Looking for a proficient technician to drive breakthrough innovation in our R&D department, overseeing lab operations, training peers, and actively participating in cutting-edge projects focusing on animal nutrition and health. Seeking a hands-on problem solver passionate about science to join our dynamic team.

At dsm-firmenich, being a force for good is not optional. Diversity, Equity & Inclusion is a shared responsibility woven into our daily work, benefiting to our People, Customers & Communities and driving business value. Equal access to opportunities is a given, belonging is a shared feeling, authenticity is celebrated.

Your key responsibilities

- Managing lab operations incl. responsibility for devices, lab areas, and trainings
- Planning, preparing, and conducting experiments in different areas (enzymology, biochemistry, microbiology)
- Support of in-vivo trial preparation and conduction
- Implementation of and compliance with SHE & Quality procedures and instructions
- Troubleshooting & problem solving, processing & interpretation of data, and documentation of results
- Scientific knowledge exchange and teamwork

We bring

- A rich history and a promising future of bold scientific innovation and passionate creation with our customers;
- A space to grow by encouraging and supporting curiosity and an open mindset;
- The opportunity to work for a company where sustainability is much more than a claim and is core to our strategy and purpose;
- An eagerness to be one team and learn from each other to bring progress to life and create a better future;
- Attractive benefits such as optional Klimaticket for whole Austria (after 6 months of employment), supported canteen, accident insurance for work and private incidents, free beverage, etc.
- We offer you an income based on your qualifications and market conditions, with a minimum annual gross salary of €35.000 on fulltime basis.
- Your place of work: Tulln an der Donau
- Type of employment: Full time for 38,5 hours / week, unlimited contract

You bring

- Education in (Bio)technology or in a related technical, chemical, or biological field from technical school (apprenticeship, HTL) or B.Sc.
- Experience in working in a laboratory would be a plus
- Experience with common lab organization & supporting tasks
- Willingness to work with animal-derived samples (e.g., urine, feces, blood)
- Team-focused and goal-oriented work ethic combined with a positive mind set, hands-on mentality, and ability to adapt & respond effectively to changes
- Good communication & documentation skills in English

Our application process

Interested in this role? Then please apply online via our career portal.

The process is basically based on the dsm-firmenich application procedure, which is described on the dsm-firmenich career website. For data protection reasons, we can only accept and process applications via our career portal.

For further information, please contact Vanessa Kolm, P&O Assistant, vanessa.kolm@dsm.com.

Equal opportunities commitment

dsm-firmenich is fully dedicated to inclusion because when people feel engaged and empowered, their creativity and innovation drives unprecedented progress. We aim to build a workplace where opportunity really is equal, so everyone can thrive. We do not discriminate: there's a place for everyone at dsm-firmenich.

dsm-firmenich is an Equal Opportunity and Affirmative Action Employer. dsm-firmenich people are as diverse as our customers. For us that includes a commitment to ensuring equal employment opportunities for all job applicants and employees. Employment decisions are based upon job-related reasons regardless of an applicant's race, color, religion, sex, sexual orientation, gender identity, age, national origin, disability, marital status, genetic information, protected veteran status, or any other status protected by law.

We are committed to providing reasonable support for disabled applicants in our recruiting process. Should you need assistance, and are comfortable to share this, please let us know.
